Why Are These Services Becoming Popular on College Campuses?

- *Students are too busy studying and doing school work and don't have time to do chores.*
- *Students will do better in class if they don't have to worry about house hold duties.*
- *Students, when their not studying, need to have time to relax.*

It is Decision-Making Time

Answer the following questions for yourself:

Do you have piles of laundry?

Do you need buttons sewn back on your jeans?

Is your refrigerator empty?

When did you vacuum last?

Has it been forever since your car has been washed?

Do you need to book a flight back home for the holidays?

Help make campus life easier for all!
